

This form is used to confirm fulfillment of minor requirements for graduation and awards, but does not replace the Minor Declaration form submitted to the Registrar's office. Please fill out and return this form to the Biology Department Office (1203 Altschul) by the Spring Program Filing deadline. If a course was taken at a different institution, please indicate where. Prior to taking a course for the minor elsewhere, consult with the Co-Chair to ensure it is suitable. Keep a copy of this form for your records.

Name: _____ Email: _____

Advisor: _____ Graduation (Month/Year): _____

Major(s): _____

Courses

Semester Completed

(E.g. Spring 2016)

Introductory Biology:

BIOL BC1500 Introduction to Organismal and Evolutionary Biology	_____
BIOL BC1501 Introductory Lab in Organismal and Evolutionary Biology	_____
BIOL BC1502 Introduction to Cell and Molecular Biology	_____
BIOL BC1503 Introductory Lab in Cell and Molecular Biology	_____

Three Upper-Level Lecture Courses:

These courses must be at the 2100-level or higher.

1) _____	_____
2) _____	_____
3) _____	_____

Two Upper-Level Laboratory Courses:

Semester Completed

1) _____	_____
2) _____	_____

Note: Chemistry, environmental science, physics, and psychology majors need to take only one advanced lab instead of two. BIOL BC3591 and BIOL BC3592 Guided Research and Seminar can fulfill up to two lab courses, however, students in these majors should check whether this year-long course is a suitable selection for your major's lab requirements.

Transfer Credits (if applicable):

Please indicate the course name, semester taken, and the minor requirement being fulfilled in addition to the institution where the class was taken. (E.g. Elective or Upper-level lab).

	Course Name	Semester Completed	Institution	Major Requirement
1)	_____	_____	_____	_____
2)	_____	_____	_____	_____
3)	_____	_____	_____	_____
4)	_____	_____	_____	_____
