Project Approval Form
For enrollment in:
**Guided Research (BIOL BC3597)**
**Guided Research and Seminar (BIOL BC 3591-3592)**
**Senior Thesis Research (BIOL BC 3593-3594)**

See checklists on Courseworks or the Biology department website for a description of the steps to project approval for Guided Research, Guided Research and Seminar, or Senior Thesis Research.

Submit this form to Ms. Maria Minino in the Biology Department office (1203 Altschul) by the lab signup deadline, and keep a copy for your records.

Student: ______________________________________________________________

Course Number(s): _______________________ Semester(s):____________________
